

REPUBLIC OF CABINDA

Presidential Resolution No. 22/2007

Taking into consideration:

That, the Republic of Cabinda through our Secretary of State for Foreign Affairs, and Governor General of the National Bank of Cabinda and the corresponding Secretary of State, have seen convenient to declare has a national priority the establishment of several projects of social nature that are required in the different environments of the Republic.

Whereas, once for their study, execution and implementation it is necessary to find the more expedite means of financing, we therefore should appeal to the international organisms and friendly nations that are willing to collaborate in Cabinda national plans for development.

Whereas, it is the President of the Federal Republic of Cabinda duty to request from its Government Cabinet Office the elaboration of all required projects.

Therefore:

The President of the Federal Republic of Cabinda, N'Zita Henriques Tiago in use of the Presidential constitutional attributions and by the grace of God.

Resolution:

Unique Article. - We have approved the following projects for social order and economic development of the entire nation, according to the following detail and part of the present Supreme Decree:

1. - General Hospital and Health Centres in Cabinda
2. - National Road Infrastructure Project in Cabinda
3. - National School Projects in Cabinda
4. - National University Project in Cabinda
5. - Logistic and Civil Defence Infrastructure Requirements

Given in this my Private Presidential Office, on the 12 day of the month of February in the year of our Lord 2007.

N'Zita Henriques Tiago
President of the Republic of Cabinda
